General information

America Movil ("AMX") is a Mexico-based company engaged in providing wireless communications services in eighteen countries in America. Its activities include offering mobile and landline telephony services, broadband access, cable and satellite television. Its principal markets of operation are Mexico and Brazil. Respectively through its subsidiary Radiomovil Dipsa and Global Carso Telecom which provide telecom services and through the brands Claro, Embratel and Net, which provides telephony and television services. It has stakes in European companies Telekom Austria and KPN. In 2016 the company has acquired Olo and TVS in Peru through a stock purchase agreement with Metsanco.

Key issues

Companies seeking to attract international investors or to have them remain as shareholders are expected to maintain a sustainable and transparent relationship with these capital markets players. Investors and analysts should be able to access detailed and updated information as regards the company's financial performance, as well as regarding its medium to long-term strategy and related quantitative targets. Furthermore, it is also key for a company to report on its strategy and performance on Environmental, Social and Governance aspects. Such information should be made accessible through communication channels such as reports or dedicated pages on the website, while an investor relations team or department would be set up within the company.

Company performance

America Movil achieved a robust performance in the Investor Relations issues. The company is transparent on most of the key elements of its Corporate Governance framework and has adopted most of the recommended elements for an open and transparent communication with shareholders. In addition, America Movil describes relevant information on its ESG KPI and provides most of the key elements of the general context of its markets. The company provides significant tools to promote the continuous follow up of corporate events and on its ESG strategies and performances, such as contact details to ask related questions. On the other hand, the company only discloses some information on its financial KPIs. Finally, the company discloses insufficient information on whom has the responsibility over Investor Relation, and no individual contact details of a person in the IR department are provided.

* On a 4-level scale: proactive, responsive, partially responsive, not responsive
